Before the holidays, there is a Christmas concert in my school and we sing Christmas songs with my friends in the choir.	
Then, we have a Christmas dinner at school.	
Sometimes, we have snow for Christmas, my brother and I go to the garden with a hat, a scarf and gloves.	
At home, we decorate a pine tree with Christmas tree decorations : lights, tinsel, baubles.	
We also put Christmas stockings and chocolate advent calendars on the chimney.	
We write and receive many Christmas cards and we hang them on the wall.	
On Christmas eve, we cook turkey, roast potatoes, pigs in blankets, carrots and Brussel sprouts.	
During the dinner, we pull Christmas crackers.	
Then, on the 25 th December morning, we open our presents.
